 Changes across our Free, Basic, and Pro packages are now live. View our [announcement](#) to learn more about these updates.

## X API V2 Products

 If you need higher levels of access, sign up for the Enterprise API today! Start [here](#).

### Pro

Unleash the full potential of X's v2 API

Apps 3 environments

DMs Over 300K requests per month per user

Posts Retrieve up to 1M Posts per month

Realtime Posts stream Access to realtime posts stream

Users Over 8M requests per month per user

SAVE 10%

**\$4500/month**

\$54000 billed  
annually

[Upgrade now](#)

**\$5000/month**

\$5000 billed  
monthly

[Upgrade in 1-Click](#)

You have 5 apps which exceeds the limit of 3 apps allowed by Pro Annual access. Please delete 2 apps if you'd like to be eligible for Pro Annual. See the [app management docs](#) for more info about managing apps.

### Basic

Begin your journey with X's v2 API

Apps 2 environments

DMs 75K requests per month per user

Posts Retrieve up to 15K Posts per month

Realtime Posts stream No access

Users 50k requests per month per user

SAVE 12.5% -  
LIMITED TIME

**\$175/month**

\$2100 billed  
annually

[Upgrade now](#)

**\$200/month**

\$200 billed  
monthly

[Upgrade in 1-Click](#)

You have 5 apps which exceeds the limit of 2 apps allowed by Basic Annual access. Please delete 3 apps if you'd like to be eligible for Basic Annual. See the [app management docs](#) for more info about managing apps.

You have 5 apps which exceeds the limit of 3 apps allowed by Pro access. Please delete 2 apps if you'd like to be eligible for Pro. See the [app management docs](#) for more info about managing apps.

You have 5 apps which exceeds the limit of 2 apps allowed by Basic access. Please delete 3 apps if you'd like to be eligible for Basic. See the [app management docs](#) for more info about managing apps.

# Free

Get limited access to X's v2 API

Apps1 environment

PostsRetrieve up to 100 Posts and 500 writes per month

You have access to this plan
